A MODEL AND HER BOYFRIEND

Sports Illustrated cover model Hailey Clauson was all over the Wynn-Encore properties this weekend, celebrating her 21st birthday like a hostess with her boyfriend and nine friends in tow.

They ate at Jardin, drank Grey Goose and Jack Daniels in a bungalow at Encore Beach Club, dined at Andrea's, partied at Encore Players Club, and returned to Grey Goose at Surrender nightclub.

So who's the boyfriend? His name is Julian Herrera. He's a model. Don't be a hater. She's a 21-year-old model. Who'd you think she'd be with?

Photos on his Instagram show him holding a bottle of Jack while crashed out in a Vegas bubble bath, as if Vegas wrecked them, but you know, who believes photos anymore?
